CONFERENCE PAPERS

Papers should be written in English and conform to the "Directions for Authors" (appendix 1). Recommended length: 6 –10 pages.

All papers will be published in conference proceedings (on a CD).
Papers will also be published in the INTERNATIONAL JOURNAL OF OCCUPATIONAL SAFETY AND ERGONOMICS (JOSE), which is now covered by the Social Sciences Index of Thomson Scientific (formerly ISI), or in ARCHIVES OF ACOUSTICS, after they have been accepted for publication by the respective editorial boards of those scientific journals.

Papers should reach the Organizing Committee **by March 15, 2007**.
Please send a file by e-mail (e-mail address: dobie@ciop.pl.) or on disk.

EXHIBITION

Conference organizers would like to invite companies interested in presenting their products to take part in the exhibition. It will cover measuring apparatus, sound absorbing materials and equipment, sound insulating elements and enclosures, attenuators and computer software. Presentations of technical consultancy services and training courses will take place, too.
